

INVITATION

Association for water protection and preservation in the South of Serbia (WASS), in cooperation with company Medivest KT d.o.o., second year in row is organizing manifestation **"WATER DAYS NIŠ 2018" – International fair of the water supply and sewerage equipment** with the accompanying conference that will be held on 30th and 31th of May 2018 in Niš.

In the Sports Center Čair Hall, on the area of 1600 m², reputable domestic and foreign producers of water and sewerage equipment will have the opportunity to present their work. Also, adequate space is provided in front of Čair Hall on the area of 400 m² for presentation of the accompanying segments: construction mechanization, special, multifunctional and vehicles for certain purposes, and similar products.

An international fair and professional conference were organized last year, within the manifestation WATER DAYS, with respectable number of exhibitors and visitors, and in that manner the event could be defined as one of the most important events in the water sector in the region.

THE INTERNATIONAL FAIR of the water supply and sewerage equipment is the meeting place for reputable domestic and international companies, where trends are being presented as well as variety of research and production achievements in the fields of drinking water production and distribution, waste water channeling and treatment, energy efficiency and other similar fields.

The conference program includes different topics, where this year the leading topic is "CIRCULAR ECONOMY AND WASTE WATER", circular system of the resources usage that represents future for the Republic of Serbia, and in defining the topic representatives of governmental and nongovernmental sector, research and educational institutions, and industry will take participation.

Detailed information concerning the participation application for the fair could be found in the application form as well as in the attached accompanying documents.

We invite You to present your products, projects and ideas!

On behalf of the organizer:

Vladica Manić
